RAFFLE / DOOR PRIZES
IDC-Oregon Designer Tote

Attend our Town Hall III, January 26th at Henry's 12th Street Tavern, to learn more about the proposed commercial interior design licensing bill.

The Interior Design Collaborative-Oregon (IDC-Oregon) is a 501(c)(6) non-profit organization dedicated to establishing commercial Interior Design licensing in Oregon. The event is open to all design and construction professionals, whether or not you are in support of licensing. Our goal for the evening is to create a neutral environment for comments and questions and we're hoping to have our draft bill available to discuss, so come join the conversation and let your voice be heard!
