Interior Design Collaborative – Oregon

Join IDC-Oregon, at the all inspiring ZGF Office, for a celebration to recognize our past board efforts and welcome the new board.

The members meeting will provide a review of, and discussion around our 2010-2011 legislative activities as well as an update on our 2011-2012 strategic planning.

The celebration portion of the evening is a party to recognize our past board efforts and you, our membership! IDC-Oregon appreciates your commitment to the profession and your ongoing support. Drinks and food will be provided. Thank you from IDC-Oregon to you!

Proceeds from the silent auction will benefit IDC-Oregon in the ongoing effort to pass legislation for Commercial Interior Designers in Oregon.
