

Dining with a Designer

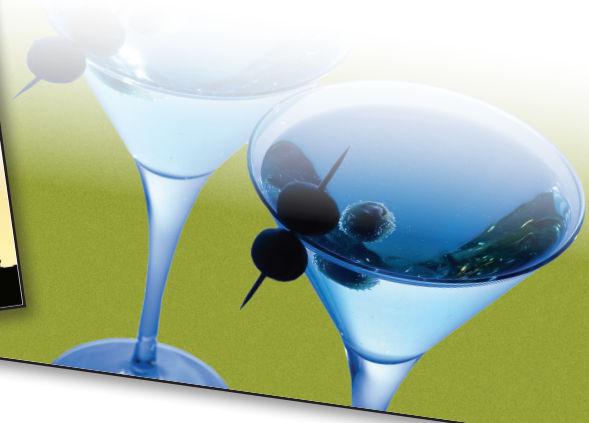

Dinner for 4 – \$100 each

Enjoy a Turkish meal with Sermin and her husband, Tom Breaden. Dinner will include a three course meal and wine. Tour their “Do it Yourself” Sellwood home and see before and after images along with stories of what to do and not to do when remodeling. This house used to be the blight on the block and has been transformed into a cozy example of a small and space efficient house. Please let your hosts know if you have any food allergies or are vegetarian. Accommodations will be made for dietary restrictions.

Cocktails for 8 – \$50 each

Join [TKA] for a fab night of mid-60's themed appetizers, cocktails, and movie. Rolling in the background will be a James Bond parody, “Our Man Flint”, highlighting Mod design of 1966.

Additional dining experiences available!
